# DEDICATION:

When ever things are in a mess,  
He always tries to do his best.  
He's always there to lend a hand  
And help us with what ever he can.  
He helped us with the car wash!  
He helped us with the dance!  
He helped us with the field day,  
And now we're giving him his chance.  
To show our appreciation,  
We gave him this dedication,

*The Sunflower SUNDIAL Yearbook Staff is dedicating this 1975  
Yearbook to Mr. Leonard Cesene. Thank You Mr. Cesene  
for everything you've done.*

Fall is a colorful time of  
the year,  
When the leaves turn a  
golden brown,  
The grass is beginning to dry out and  
die,  
And the petals on roses  
fall down.

The leaves on the trees are  
falling,  
And the trees are all looking  
so bare,  
The leaves are released from  
their branches,  
And gracefully glide through  
the air.

FALL

"Wanta hustle?"

"They dress like this, why can't I?"

"You mean he said yes?"

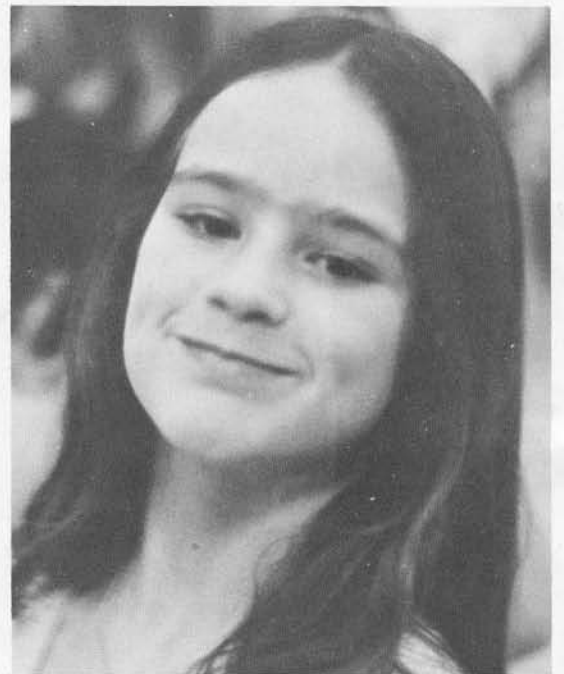

"Darn, it won't fit!"

"He's got legs!"

"Two all beef patties, special sauce, lettuce, cheese..."

"Mmm, good!"

# WINTER

Looking down the hazy streets,  
While the fog is beginning to rise,  
Then seeing the cloudy skies above,  
Releasing small raindrops, each  
in a different size.

The clouds are beginning to clear,  
While the sun starts to break its  
way through,  
With strong sweeping breezes  
all through the air,  
Damp grass and early morning dew.
